

Hatboro Horsham Boys Lacrosse Team Rules

“Student responsibilities include regular school attendance, conscientious effort in classroom work and homework, and conformance to school rules and regulations. Most of all, students are responsible to share with the administration and faculty a responsibility to develop a climate within the school that is conducive to wholesome learning and living”

1. By participating in the boy's lacrosse program, it is expected that all students carry themselves in a courteous and professional manner both on and off the field. Their conduct in the school and outside of it should mirror that on the field.
2. Your schoolwork should be your number one priority. It is expected that all boy's lacrosse players stay up to date with their schoolwork and look to excel wherever possible. A failing grade in **any class at any time** is considered **unacceptable**. It is the student athlete's responsibility to seek out necessary assistance where applicable to always keep his grades at an acceptable level. It is not your parent's/teacher's responsibility to ensure you are passing in all classes.
3. Attendance in school should be taken as seriously as your grades. At the absolute minimum you **must** be in school by 8:30am and stay until 1:30pm to participate in after school activities. The only exception to this rule is with a doctor's note approved by the attendance office. Oversleeping is not an excuse!! Excessive tardiness to school may result in punishment on the lacrosse field. 7:31 is considered late in the eyes of the coaching staff.
4. Any disciplinary action taken by the school for misconduct (i.e. detention, suspensions) will also result in disciplinary action by the coaching staff. Behave yourself, and don't put yourself in bad situations.
5. All players are expected to show up to practices and games on time, every day. Practice times may vary, but most after school practices will run from 2:50pm – 5:30pm. Occasional weekend practices may also be required.
6. All players must be properly equipped daily. This includes a helmet, gloves, NOCSAE approved shoulder pads, elbow pads, protective cup, water, team practice pinnie/jersey and a mouthpiece.
7. If you are unable to make a practice or game, please let the head coach know prior to the start of that activity. Missing practice for work/another sport is an unacceptable excuse. You are making a commitment to this team, and your teammates are doing the same.
8. For any students that have their license, parking next to the stadium for after school practice is strictly prohibited. You must leave your car in the lot designated by the school and walk to the stadium/back fields. This also includes any individuals with early release. This is a zero-tolerance policy and there are no warnings. Failure to adhere will result in loss of driving privileges by the school.
9. Any equipment borrowed from the school such as jerseys/helmets, must be washed, labeled, and returned within 72 hours of the conclusion to the season. It is your responsibility to return the jersey/helmet you were given at the beginning of the year. Returning someone else's equipment in lieu of your is unacceptable.

****Please virtually sign and email the completed rules form to Coach Walker (HatsLax@gmail.com) by March 11th, 2024. By signing this, you affirm you are aware of the aforementioned rules, and agree to abide by them.****
